

THE BRIDGE PROJECT

2011 EMPLOYER FORUM

The Bridge Project supports young people leaving custody to find work placements and needs the support of the community, especially potential employers and sponsors to assist in providing work placement opportunities.

We invite you to join us for this presentation to learn about how you and your networks could assist young people needing a second chance.

You will see and hear stories and experiences first hand from current employers and supporters of the Bridge Project, and how they have assisted young people with work opportunities and beyond.
